## ACTIVITY REPORT

NOVEMBER 13, 2009

ACTIVITIES REPORTED THROUGH NOVEMBER 11, 2009

PUBLIC INFORMATION OFFICE -- 703-246-2253

---

There are three sections in this report: Section I: MAJOR INCIDENTS; Section II: PROPERTY CRIMES; and, Section III: ANIMAL RELATED INCIDENTS. Sections are appropriately identified. Within the sections, incidents are organized by station, then by type of offense. They are listed alphabetically by street address.

Addresses shown indicate blocks and not specific locations. Thus an entry showing Chain Bridge Road 4100 would mean the 4100 *block* of Chain Bridge Road, not the address 4100 Chain Bridge Road.

An asterisk (\*) before an item indicates that an incident report was distributed on that offense.

**Section I: MAJOR INCIDENTS****SULLY DISTRICT STATION (DISTRICT 1)****DON'T DRIVE LIKE A TURKEY**

## Route 28 Corridor

\* The Route 28 Corridor historically has had a high number of crashes and traffic incidents such as aggressive driving or driver inattention. On average, 84,000 vehicles travel through the Route 28 Corridor during the course of a weekday. Officers of the Sully Police District are using the month of November and the upcoming holidays to educate the public and enforce traffic laws along Route 28 to remind drivers everywhere to be more alert and courteous when driving. Sign boards will also be posted along the corridor to encourage safe driving during the holiday season. Some of the intersections along Route 28 where enforcement will be increased include, but are not limited to:

- Braddock Road
- Interstate 66
- Machen Road
- Compton Road

The Fairfax County Police Department strives to reduce the number of crashes in the county by educating the public on safe driving and strictly enforcing traffic laws. Be safe this holiday season and drive responsibly and courteously.
